## NORTHERN TRUST

### PRESS RELEASE

#### FOR IMMEDIATE RELEASE

Date: 13<sup>th</sup> October 2021

### REFURBISHMENT WORKS COMPLETED AT PEREGRINE PLACE

Northern Trust has announced that refurbishment works to Unit 7 at Peregrine Place have been completed.

The 6,791 sq ft standalone unit has undergone an extensive refurbishment programme including, new high bay lights, replacement sky lights and internal / external decoration. The unit benefits from a sectional loading door, integral office space to ground and first floor with glazed frontage and separate warehouse / production space, making it ideal for trade counter use.

The unit forms part of Peregrine Place Industrial Estate, which offers 19,868 sq ft of warehouse accommodation at the forefront of Moss Side Industrial Estate, Leyland. The estate was acquired by Northern Trust in November 2020 and is actively managed by Northern Trust's in house managing agents, Whittle Jones.

Nick Hemmings, Regional Property Manager at Whittle Jones North West commented "Unit 7 Peregrine Place offers huge potential given its prominent road frontage at the forefront of a well-established industrial estate. The unit contains both warehouse and ample office space which provides excellent scope for a production, storage or trade counter facility with back office provision. The estate is an excellent addition to Northern Trust's portfolio and the recent improvement works of the property provide a great opportunity for Northern Trust to realise the true potential of the site."

Robert Pinkus and Co has been appointed as joint letting agents on the scheme. Danny Pinkus added "This unit will provide a fully refurbished trade-counter/warehouse unit in a prominent position within one of the region's most popular business parks. Moss Side Employment Area has extremely limited availability and this unit will prove very popular in the market. We are looking forward to working with Northern Trust."

Unit 7 Peregrine Place is situated in a highly visible position off Schleswig Way, Leyland. The property benefits from excellent road frontage facing the busy

roundabout where Schleswig Way meets Flensburg Way, with access to the unit being off Comet Road.
