### **PRESS RELEASE**

**FOR IMMEDIATE RELEASE**

Date: 26<sup>th</sup> November 2012

## **NORTHERN TRUST TEAMS UP WITH APOLLO ENERGY TO ASSIST OCCUPIERS WITH UTILITY COSTS.**

With the latest announcement of rising rates from the energy companies; Northern Trust has announced that it has joined up with Utility Management Consultants Apollo Energy to provide a range of utility management services for its occupiers.

Apollo Energy are already utility management consultants to Whittle Jones, managing agents acting on behalf of Northern Trust; and their service covers contract procurement, through to the installation of smart meters and supply capacity reduction. The company is dedicated to providing a 'one-stop shop' service to businesses and organisations.

A spokesperson on behalf of Northern Trust commented "With the ever increasing energy costs we are pleased to be teaming up with Apollo Energy to provide our occupiers with the same utility brokerage service that we receive."

Apollo Energy are leading energy brokers within the commercial energy sector. Since 2001, the company has helped a wide range of businesses across various sectors to rationalise their approach towards utility management; delivering efficiency and cost reduction.

A spokesperson at Apollo Energy commented: "We are delighted to be working alongside Northern Trust and Whittle Jones to offer their customers our full range of utility management services. We look forward to assisting more businesses when it comes to saving on utilities and energy efficiency."

**Northern Trust Co Ltd**

Northern Trust was established in 1962 and is now one of the UK's largest and most successful privately owned property investment, development and land regeneration companies.

Northern Trust's current property portfolio exceeds 8 million sq ft of industrial/trade and office parks, having developed over 2 million sq ft of commercial property itself in more than 40 locations. The company has more than 5,000 acres of land under ownership/management throughout the UK, with over 400 acres currently being promoted through the planning process for mixed use development.

Northern Trust works closely with house builders, local authorities and special purchasers in bringing forward regeneration opportunities; with the potential of bringing forward c 4,000 homes. In addition, new regeneration/development partnerships have been entered into with various public bodies, to provide regeneration initiatives across the UK and employment premises for both Small and Medium Enterprises and larger occupiers.

Northern Trust has substantial funds available for new investment, development, and regeneration initiatives throughout the UK. For further information on Northern Trust please visit our website at [www.northerntrust.co.uk](http://www.northerntrust.co.uk)
