## **NORTHERN TRUST'S DEVELOPMENT TEAM WELCOMES NEW SURVEYOR!**

The development division of Northern Trust has expanded its team with the appointment of Jonathan Houghton as Development Surveyor.

Jonathan brings with him a wealth of experience, having previously spent 9 years within the property industry with Langtree Group plc and Prospect (GB) Ltd. Jonathan has over 4 years property management experience and 5 years commercial property development experience including office and industrial development projects throughout the North of England.

Northern Trust's existing property portfolio is in excess of 8 million sq ft of industrial / trade and office parks and has more than 2,000 acres of land under ownership, throughout the Midlands and North of England. Northern Trust's dedicated development division was established in 2000 to undertake commercial development for retention in the Northern Trust portfolio. Since then more than 1.5 million sq ft has been developed or is under construction by Northern Trust in over 35 locations, and continued expansion is planned through new investment, development, and land regeneration opportunities.

Jonathan commented "I am delighted to be joining the development team at Northern Trust especially given their appetite and proven track record for commercial development.
