## PRESS RELEASE

**FOR IMMEDIATE RELEASE**

Date: 6<sup>th</sup> July 2017

### **LANLEY LAUNCHES NEW WEBSITE FOLLOWING SALE OF LAST HOUSE AT CROSTON.**

Lanley Homes are pleased to announce the launch of their new dedicated website [www.lanleyhomes.co.uk](http://www.lanleyhomes.co.uk) which comes following the sale of the last house at their Station Road site in Croston, a small village to the West of Chorley.

The Croston development provided four superb semi-detached homes which were finished to a very high standard.

Development Manager, Neil McManus commented “We always knew that this development would be popular as Croston is a sought after location. With 100ft gardens and off road parking these houses were unique in the locality. Despite these exclusive selling points we still provided a higher standard specification than is normal in this size bracket. Each home had bi-fold doors to the rear as standard and was future proofed with internet and HDMI cabling throughout.

The development at Croston has proved a huge success and now the new website is live we are hoping to build on that accomplishment through new development opportunities.”

Lanley Homes is looking for sites with or without planning permission. For more details please visit the new website or contact Neil McManus on 01257 238555.

### **Lanley Homes**

Lanley have been building high quality low volume housing since 1988 and aim to provide a product that is more bespoke than traditional volume house building.

Lanley Homes are the housing development arm of a much wider property group and we are able to draw on the skills and expertise of that wider group whenever required.

Lanley pride themselves on the quality of their developments as well as the after care provided once a purchaser has moved into their new home. Our finished homes benefit from a number of features that you would normally only expect to find as extra cost items in a new build home. The standard specifications of our homes meet and go beyond those of many other house builders, including bespoke kitchens with appliances included. We want you to move into your new home feeling that you received a great product at a good price without having to continually pay extra for the home you wanted.

For further information on Lanley Homes please visit our website at [www.lanleyhomes.co.uk](http://www.lanleyhomes.co.uk)
