Date: 12<sup>th</sup> August 2019

## **CENTRIX UNDERWRITING MOVES INTO CENTRIX @ KEYS IN CANNOCK**

[Northern Trust](http://www.northerntrust.co.uk) is pleased to announce that it has completed the letting of one of its Epsom office suites at their Centrix @ Keys office scheme to Centrix Underwriting.

Centrix is a new commercial insurance Managing General Agent (MGA), established in 2019. Being an MGA means Centrix don't carry the risk, or to put into more simple terms, they don't carry the money required to pay claims. This is done by their capacity partners who delegate the authority to underwrite business to Centrix.

Mark Hands, Managing Director at Centrix Underwriting commented, "having scoured the Midlands to find a suitable home for our new business Centrix @ Keys stood out as the right location for us. A modern building with excellent facilities and a support team on hand who have provided us with first class customer service. I would recommend the centre to other businesses without hesitation."

Centrix @ Keys Business Village is a modern office building providing a total of 19,459 sq ft over three storeys divided into two wings. The offices are connected by a central core incorporating reception and meeting room space.

Currently the building comprises subdivided suites from 118 sq ft to 1,101 sq ft. If required; the suites could be combined to create larger, more open plan accommodation.

Donna Cox, Centre Manager at Whittle Jones, managing agents on behalf of Northern Trust added "We are pleased to welcome Centrix Underwriting to Centrix @ Keys and look forward to assisting Mark and his team with his business space needs over the next few years. Centrix Underwriting is one of 11 new businesses to move into the Centre in the last 3 months, and with an occupancy level of over 90%

and plans to launch the Centre's own dedicated website we are going from strength to strength."

The A460 also provides access to T7 of the M6 Toll 2.3 miles to the south. Cannock is situated 8.1 miles to the west of Lichfield, 9 miles north-east of Wolverhampton and 15.9 miles north of Birmingham City Centre.
