METACRE PLEASED WITH WESHAM PUBLIC EXHIBITION!

Metacre Limited who recently announced proposals for the new development on land to the north of Mowbreck Lane, Wesham were pleased with the public exhibition held on Friday 9th January at Wesham Community Centre.

The event manned by Metacre staff and their consultants provided the public with an opportunity to view the proposals for the site, which have been subject to extensive discussions with Fylde Borough Council.

A Metacre spokesperson commented "The public exhibition proved a worthwhile exercise with over 100 people attending including members of the public and local councillors. The exhibition was an ideal opportunity to address any issues raised as well as providing interested parties with a chance to view the proposals and comment on the scheme. The company will now consider the comments made."

The illustrative scheme proposes 264 houses in a variety of styles from one bed apartments to four bed family homes. In addition the project includes a significant proportion of affordable homes and a package of community benefits which would include contribution towards schools, traffic, etc.
